ALMA MATER

Broward Gracious Alma Mater.
We thy name revere.
May each noble son and daughter cherish thine honor dear,
May thy lamp be ever bright guiding us to truth and light.
As a beacon o'er dark water.
This is for thee our prayer.

May the years be kind to Broward.
May she grow in fame,
May her children fail her never.
True to her beacon flame,
May her spirit brave and strong honor right and conquer wrong.
This is the burden of our song.
Ever her truth proclaim.

*EVERYONE PLEASE STAND	

Our Guest Speaker

Dr. Mack King Carter is a native of Ocala, Florida. After graduation from high school he received his A.A. degree from Central Florida Community College. He completed a bachelor's degree at the University of Florida and entered divinity school at Southern Baptist Theological Seminary. He received his Master's Degree of Divinity in 1976 and his Doctor of Ministry Degree in 1978.

Dr. Carter pastored in two communities, Ocala and Prospect, Kentucky, before coming to Broward County. He came to Mount Olive Baptist Church in 1982 as co-Pastor with Reverend George E. Weaver. Upon Reverend Weaver's retirement, Dr. Carter became Pastor and he currently serves as Senior Pastor of Mount Olive Baptist Church which has a congregation of 7,000 people.

Teaching and lecturing on a variety of religious topics has been another area of service for Dr. Carter. He taught theology, church history and homiletics at Simmons Bible College and he was a visiting professor of pastoral theology and African-American Studies at Southern Baptist Theological Seminary. He has lectured at Princeton, Southern Methodist University, Mississippi Valley State University and Howard University. Several of his sermons have been published and he has four books in print on religion with another in publication.

In our community, Dr. Carter has led and served as role model for many parishioners and others in the African-American community. His leadership has extended beyond the church as he serves on the Board of Directors of the National Conference of Community and Justice and he is a Trustee of Florida Memorial College.

Nationally, Dr. Carter was selected by *Ebony Magazine* as one of America's outstanding religious leaders. He also has appeared on NBC News with Tom Brokaw and he has received two honorary doctorates for his contributions to his church and his community.

ACADEMIC COSTUME

In the medieval universities, students and teachers wore gowns indicating their status and scholastic achievements. European institutions still show great diversity in the specifications of academic dress, but American colleges and universities preferred to adopt some definite system which all could follow. Accordingly, in 1895, at Columbia University, an intercollegiate commission drafted a uniform code for the use of caps, gowns and hoods. These standards, with few revisions, are still in effect. Broward Community College will follow the Academic Costume Code.

Four academic degrees are generally recognized: the associate, the bachelor, the master and the doctor. The associate degrees (associate of arts and associate in sciences) are offered by the standard two-year junior colleges. The other three are conferred by universities and colleges. The bachelor's or baccalaureate degree takes its name directly from the medieval practice of "bachelors" wearing a garland of bayberries. The master's degree was equivalent to a license to teach, and sometimes was followed by the express words *Licentia Docendi*. The doctor's degree, when earned by study, indicates advanced study and independent research in a specialized field of learning. Honorary degrees are granted for meritorious service and for distinction in public or private endeavor.

Those holding a bachelor's degree wear a black gown fastened at the top, distinguished by long pointed sleeves hanging nearly to the knees. The master's gown, worn open, has long closed sleeves with an arc of a circle appearing near the bottom and a slit for the arm near the middle of the sleeves. The doctor's gown, usually worn open, is made of silk, faced with a broad strip of velvet, and has three bars of velvet on each sleeve.

A hood made of the same material may be worn with the gown. The bachelor's hood is three feet long, with a two-inch strip of velvet; the master's hood is three and one-half feet long, faced with a three-inch strip of velvet; the doctor's hood is four feet long, faced with a five-inch strip of velvet. The color of the tassel or velvet strip on the hood indicates the field of study in which the degree was earned or granted, as for example: ARTS, white; SCIENCE, golden yellow; EDUCATION, light blue; ENGINEERING, orange; MUSIC, pink; LIBRARY SCHOOL, lemon yellow; BUSINESS, drab; JOURNALISM, crimson; LAW, purple; THEOLOGY, scarlet; PHILOSOPHY, dark blue. Each hood is also lined in silk with the colors of the institution which granted the degree, as for example, garnet and gold for Florida State University, orange and blue for the University of Florida.

The appropriate cap for all degrees is the familiar black "mortar board." A tassel, black or a color signifying the field of specialization, is worn hanging to the left of the face. Those holding a doctor's degree may wear a soft velvet cap of the color indicating their field of study, or with the mortar board, they may wear a tassel in gold or in part of gold thread.

The mace, carried by the parade marshal, is a symbol of the authority vested in the college president. In medieval times, it was a weapon of war which was effective against the strongest armor and was used chiefly by knights. Maces were often borne by a royal bodyguard to protect the king in processions, but in the course of time (by the 14th century) they assumed more ceremonial functions and lost their warlike appearance. A mace is carried in academic and ecclesiastical processions, particularly in English-speaking countries.

PHOTOGRAPHS

Parents and friends taking photographs are asked not to block the vision of other guests or interfere with the routes of our graduates. Fire regulations prohibit blocking aisles and the placement of tri-pods and other equipment that may interfere with emergency exits. Please follow the instructions of our ushers.

Commercial photographs of the graduates will be prepared by Bob Knight Photomarketing, Inc. Names and address of participating graduates will be provided to the photographer for subsequent communications. Free proofs will be mailed within one week.
